Our Review

Opinion of the webmaster, subject to debate

Credibility	Research Value	Cultural Interest	Visual Information	Style	Silliness	Wow Factor	Bargain
2	1	5	0	NR	4	1	NR
Low	Very Low	Very High	None	Not Rated	High	Boring	Not Rated

[Explanation of Ratings](#)

Credibility = Low: In general, this category is a rating of the author's intellectual discipline and the strength of his argument (which are low), not the veracity of his claims (which could be true in spite of the weak argument).

This is probably the bestselling UFO book of all time -- 25 weeks on the New York Times bestseller list. We don't understand why. There is no significant data here, just one man's claims, told in the form of a novel. Is it coincidence that this abductee is already a novelist, whose vocation is to dream up story lines? The facts, if any, are so buried in the storytelling process, that it is hard to find much useful information -- even if his claims are true. To us, the main significance of this book is how many people have read it and its corresponding social impact. -- *Glenn Campbell*

Reservations

Apart from this book itself, we are annoyed by Strieber's seeming penchant for endorsing every popular alien fad and his remarkable ability to "recall" new alien experiences whenever a new book contract requires it.

Comparison to Other Books

In our opinion almost any other [abduction book](#) is more interesting if it features more than one witness.

Information from the Publisher

Always supportive

From the Book Cover

IF WHILEY STRIEBER ISN'T FIBBING IN HIS NEW BOOK COMMUNION... THEN IT MUST BE ACCOUNTED THE MOST IMPORTANT BOOK OF THE YEAR, OF THE DECADE, OF THE CENTURY..."

-- [The Nation](#)

On December 26, 1985, at a secluded cabin in upstate New York, Whitley Strieber went skiing with his wife and son, ate Christmas dinner leftovers, and went to bed early.

Six hours later, he found himself suddenly awake... and forever changed.

Thus begins the most astonishing true-life odyssey ever recorded -- one man's riveting account of his extraordinary experiences with visitors from "elsewhere"... how they found him, what they did to him and why...

Believe it. Or don't believe it. But read it -- for this gripping story will move you like no other... will fascinate you,

terrify you, and alter the way you experience your world.

"Strieber comes through as both sensible and sincere... HIS BOOK DESERVES TO BE TAKEN SERIOUSLY."

Boston Herald

"POWERFULLY WRITTEN AND INVOLVING!"

New York Times
