Our Review

2	1	3	0	2	4	2	2
Low	Very Low	Moderate	None	Awkward	High	Routine	Low

[Explanation of Ratings](#)

Credibility = Low: In general, this category is a rating of the author's intellectual discipline and the strength of his argument (which are low), not the veracity of his claims (which could be true in spite of the weak argument).

Bargain = Low: In general, items with a low bargain rating are not considered worth the retail price as judged by the useful research data they contain. However, they may have cultural or entertainment value, which is not included in the bargain rating.

In this sequel to [Communion](#), Streiber's alleged contact with the aliens continues, and he claims a breakthrough in his understanding of them.

From the Book Cover

Communion was not the whole story.

Whitley Strieber's worldwide bestseller COMMUNION, describing his personal encounters with non-human beings, was taken to heart by millions of readers, many of whom recognize in his strange but true story echoes of their own still-secret experiences.

After COMMUNION, Strieber believed -- hoped -- that the encounters that had changed his life would end. He was wrong. The visitors have become even more insistent -- intervening in his life, revealing their language, and giving Strieber, for the first time, a glimpse of their true intentions. A glimpse that will certainly chill you -- but give you new hope for humankind...."
