About the Author

Timothy Good first became interested in UFOs in 1955, when his passion for aviation and space led him to read a book by Major Donald Keyhoe which detailed sightings by highly qualified observers such as military and civilian pilots. Now regarded as a top authority, he has travelled worldwide interviewing key witnesses and amassing a wealth of evidence, including several thousand declassified intelligence documents.

Timothy Good has lectured on his subject since 1967, at universities, schools, and to many organizations, including the Institute of Medical Laboratory Sciences, the House of Lords All-Party UFO Study Group, and the Oxford and Cambridge Union Societies. He has been interviewed on numerous television and radio programmes throughout the world, and in 1989 became the first Ufologist from the West to be interviewed on Soviet television.
