Credibility	Research Value	Cultural Interest	Visual Information	Style	Silliness	Wow Factor	Bargain
4	4	NR	0	NR	2	4	4
High	High	Not Rated	None	Not Rated	Low	Surprising	High

[Explanation of Ratings](#)

Although it doesn't say so in the title, this is essentially an update on the Roswell crash. About a third of the book is a direct defense of Randle's Roswell position. The rest is a review of official UFO investigations since 1947 -- as seen in light of the Roswell Crash. Although a lot of this material has been written about before, Randle adds some new information that only he has access to, like early interviews with General Arthur Exon which seems to verify the existence of secret UFO investigations. There seems to be a lot of good material here, worth the price at least. Investigative reporter Jack Anderson wrote the foreword, saying the Air Force has not been honest about its UFO investigations. -- *Glenn Campbell*
