From the Book Cover

VISITED BY UFOS... STALKED BY ALIENS...

VIOLATED AND IMPREGNATED.
TWO WOMEN REVEAL THEIR SHOCKING STORY.

- What caused the strangely patterned scorch marks in this Indiana family's backyard?
- What lay behind the multitude of UFO sightings in their neighborhood and the mysterious helicopters that passed over their house?
- What has "haunted" these sisters' houses with bizarre disturbances and the inexplicable disappearances of their possessions?

Debbie Jordan and Kathy Mitchell have witnessed things so extraordinary, so outside the realm of daily experience, they thought no one would ever believe them. And they both have been...

ABDUCTED!

Their amazing story was first told in Budd Hopkins's bestselling book Intruders. Now sisters Debbie and Kathy bring us their riveting first-person account. They describe, in words that will hold you spellbound, exactly what happened to them, to their families, and to their friends when UFOs entered their lives... and when aliens chose one of them for an experiment that will make your blood run cold...
