

MONTY PYTHON'S LIFE OF BRIAN

You could say this is one of the greatest comedies ever, but

we said it first! **Life Of Brian** is all about (and here's the big surprise) the life of Brian, who was born in a Bethlehem manger next door to Jesus. It's written and performed by the Monty Python lads, so you know what you're in for. (If you don't, put this video down and get out while it's safe.)

Featuring John Cleese, Eric Idle, Michael Palin, Terry Jones, Terry Gilliam and the incomparable Graham Chapman as Brian himself.
