Information from the Publisher

Always supportive

From the Book Cover

Here is a fascinating summary of the history and trends of UFOlogy by cult expert and award-winning journalist Bill Alnor. He takes us beyond the harmless fantasy about lovable ETs and exposes the distortion of Christian beliefs and other dangerous occult activities involved in the New Age UFO movement.

"Clearly, the evangelical community can no longer ignore the UFO movement and its influence. And Mr. Alnor has provided us with its scope, historical developments, and a biblical response."

-Keith Edward Tolbert, Editor, *Journal of Religious Research*

"The old Angel of light is back in the sky again with new aerial phenomena geared to capture a culture that is jaded yet credulously hunting for supernatural wonders in the heavens. William Alnor looks backstage at some of the projection equipment creating this light show. His meaty analysis untangles these deceptive phenomena-- UFOs--which have an interesting ulterior agenda."

-Tal Brooke, President, Spiritual Counterfeits Project

"*UFOs in the New Age* is an enlightening survey and helpful assessment of the current New Age fascination with UFOs and alleged entities from outer space."

-James Bjornstad, Visiting Professor in Religion and Philosophy
The King's College, Briarcliff Manor, N.Y.

William M. Alnor is a former Philadelphia investigative newspaper reporter. He is also the author of *Heaven Can't Wait: A Survey of Alleged Trips to the Other Side*.
