Information from the Publisher

Always supportive

Publisher's Synopsis

Roy Craig's experiences as the major field investigator for reported UFO sightings make fascinating reading, both for firm believers in extraterrestrial visitation and those who are most skeptical. He records both detailed descriptions and personal musings of individual cases he examined. In addition, he gives a historical overview of the UFO phenomenon, the involvement of the US Air Force, the development of amateur UFO study groups, and the continuing "UFO Wars."
