Inner Light is a small publisher of highly speculative and weakly documented books on UFOs, conspiracies and New Age claims -- often by anonymous or "channelled" authors. Buyer beware.

All of these books are new trade paperbacks, usually with colorful covers and a larger than normal format (7x10" or 8x11"). We usually have in stock the items marked "in stock" below. The others ship within 1-4 weeks. We can

expand any of the entries below upon request.
