### From the Book Cover

#### SEE BEYOND THE STARS

Montauk: The Alien Connection reveals the most amazing story yet to surface in the area of alien abduction. This is an autobiographical and factual account from Stewart Swerdlow, a gifted mentalist who was born clairvoyant but haunted by strange time-space scenarios. After suffering alien abductions and government manipulations, Stewart found Preston Nichols and discovered his own role in time travel experiments known as the Montauk Project. After refusing to break his association with Nichols, Stewart was incarcerated by the authorities, but the truth began to reveal itself. Struggling for his life, Stewart used his mental abilities to overcome the negative influences surrounding him and ultimately discovered the highest common denominator in the alien equation -- an interdimensional language which communicates to all conscious beings.

Montauk: The Alien Connection is an intriguing new twist to the Montauk saga which elevates the entire subject to a higher octave.
