

UNDERGROUND

Bases and Tunnels

What is the government trying to hide?

Richard Sawder, Ph.D.

There are more underground bases than you think, and there's more going on than just planning to keep the President alive in a nuclear war. Working from public documents and corporate records, this book digs below the surface of the government's super-secret underground!

50 Pages of Photos and Illustrations!

PLUS ADDITIONAL CHAPTERS ON UFO-LIKE TECHNOLOGY

"Dr. Sawder has done some superb research and has revealed something that needs to be addressed by the people at once. This is a significant book - maybe vitally so - and must be read by every concerned citizen."
