Our Review

Opinion of the webmaster, subject to debate

Ver. 4.01 contains milepost logs, maps and lots of practical information for visitors in search of secret aircraft or UFOs on Nevada Highway 375, just across the mountains from the Top Secret Groom Lake base in Central Nevada. Reviews the stories associated with both the UFO and military lore of the area. Contains an extensive annotated bibliography for Bob Lazar, UFOs and Secret Aircraft: all known print, audio and video references through Sept. 93 are included with many quotes. -- *Glenn Campbell*
