Publisher's Synopsis

Further encounters with UFOs are covered in this fascinating sequel to the successful Gulf Breeze Sightings. The details of Ed Walters' incredible experiences have been revealed through hypnosis and confirmed by eminent psychologist Dan C. Overlade, Ph.D. 16 pages of clear, authenticated photos.

From the Book Cover

THE TERROR RETURNS

Back in 1987, Ed Walters experiences a horrifying encounter with a UFO and the aliens aboard it. Now extensive hypnosis has revealed an astonishing truth: **1987 was not the first time the aliens abducted him.** For years, he had experienced terrifying encounters with aliens skilled in the manipulation of his body, mind and soul.

THE TRUTH CONFIRMED

The details of Ed's incredible experiences -- so frightening they had remained buried in his unconscious -- have been revealed through hypnosis and confirmed by eminent psychologist Dan. C. Overlade, Ph.D.: alien beings enter his bedroom late at night, strip him naked, perform painful, horrible experiments; beams of light immobilize him, violent visions burst in his head, giant lizards pursue him. All these accounts are consistent with those of Whitley Strieber and others who have experienced this amazing phenomenon.

THEY LEAVE LITTLE DOUBT THAT THESE EXPERIENCES ARE
REAL... AND THAT WE ARE ALL AT THE MERCY OF THESE
STRANGE BEINGS.

Regarding "UFO Abductions in Gulf Breeze" - Latest First

Witness to UFO activity

I was a resident of Gulf Breeze from 1983-88 and lived in the Blue Heron Cove subdivision. I did observe several unusual phenomena that convinced me that certain activities were taking place that were unexplained by military or other sources. Including, a series of light events in unusual maneuvers including U-turns, etc. Another I was awakened by shocking blue lights and static noises (although our subdivision had underground utilities). We walked down the street into another subdivision and found people surrounding a utility pole that had been severed midway with no evidence of the cause anywhere in sight.
