## Our Review

Opinion of the webmaster, subject to debate

This book is apparently intended for those who have been recently bereaved. It offers words of encouragement and supposed techniques for contacting the dead. Although some people may find spiritual solace in these pages, this should not be confused with a disciplined academic work. In our scan of this book, we found no useful research data and few references. It is a religious work that repeats many popular New Age themes. "Religion," as we define it, consists of claims made on faith without any attempt at verification. As such, this book is out of our field. -- *Glenn Campbell*

## Comparison to Other Books

To us, all New Age books seem the same: someone providing spiritual advice without any attempt to substantiate their claims. We find it impossible to compare one New Age book to another.

FOR ANYONE WHO HAS LOST A LOVED ONE -- MESSAGES OF PEACE, HOPE, AND LOVE ABOUT THE AFTERLIFE

Many ordinary people have been comforted by lost loved ones -- through dreams, visions, sounds, and numerous other

ways. This hartwarming book tells their powerful stories -- and shows how anyone can communicate with loved ones who have gone to the other world. Through listening, communicating, and being open to the woderous possibilities of eternity, we can reach out to loved ones who have not really left us -- but will always live on in our hearts.
