Our Review

Opinion of the webmaster, subject to debate

offers a view of the Mormon Church from a woman's perspective. Deborah Laake chronicles the

patriarchal mysteries hidden beneath the Church's public image. Laake spills many of the hidden secrets of the church, providing us with a fascinating view of how the Mormon Church really works. This is the religion for those of you that would like to become God of your very own planet!

This catalog provides the sole financial support for the [Ufomind website](#) and our many free on-line services.... Your purchases keep us going!
