Publisher's Synopsis

If you don't know where you're going in South Carolina, you can easily find yourself "swamped." This state, after all, is where Revolutionary General Francis Marion gained his fame as the "Swamp Fox". But fortunately for Palmetto State explorers, the South Carolina Atlas & Gazetteer has the most comprehensive road detail available. You'll discover the best places for hiking, wildlife viewing, camping, fresh and saltwater fishing and much more. There is also a wealth of information on South Carolina's abundant historic sites and heritage preserves. And, if you want to explore the state's countless swamps and wetlands, you'll find the best ways to get in - and out - in the South Carolina Atlas & Gazetteer. Scale 1:150,000 (1 inch to 2.4 miles). A mosaic of the maps would measure approximately 10 feet wide by 8 feet high.
