Romance20_	**Romance by the Pound: 20 Assorted Romance Novels for $5** (used pb) By various authors. 1990+, various publishers, A random assortment of popular romance novels.. (Most VG. Most printed in the 1990s. All with covers intact and no significant blemishes or defects.) Help! We are drowning in romance! We don't have the resources to list romance novels separately, but if you are willing to take a chance on love, we have a deal for you. We are selling romance for about a dollar a pound. For five bucks you get 20 recent paperbacks. We cannot predict what authors and titles you will get, but most are recent (printed in the 1990s) and have been "pre-read" by a real romance enthusiast. Our source is charity book sales, so there is a pretty healthy mix of popular titles that people are really reading. There are no remnants and none of those "pirated" copies with the front cover removed. All copies are free of defect and are in good or better condition. Most have square spines and bright, crisp covers and have apparently been read only once. We know nothing about romance novels ourselves, so we try to mix them up visually, making sure there aren't too many of any one author or series. Since each book normally retails for about $4 new, you can't lose! (Due to the weight, we recommend book rate shipping for this item instead of priority mail.) (6/24/99)	$5.00 book6 Add to cart
