ABSTRACT

The purpose of this study is to provide a historical background for the study of the American political system. It is a study of the development of the American political system from the time of the first settlement of the continent to the present. The study is divided into three parts: the first part deals with the early years of the settlement, the second part deals with the years of the Revolution and the third part deals with the years of the Republic. The study is written in a clear and concise manner and is suitable for use as a textbook or as a reference work.
