## Our Review

Opinion of the webmaster, subject to debate

In May 1995, while enroute from Tampa to Las Vegas, an America West flight crew spotted an unusual light formation over Texas. It appeared to be an elongated, cigar-shaped craft with a row of lights along its edge. Two documents are included: the Interim Report describing the sighting and a Final Report, composed of sighting reports, articles, diagrams and transcripts of conversations with air traffic controllers. Funded by Robert Bigelow through the short-lived UFO Research Coalition, these reports provide the

most thorough documentation that can given to a single sighting. Includes two articles from the [MUFON UFO Journal](#) on similar airline sightings in Britain and Argentina. -- *Glenn Campbell*

## Reservations

Although otherwise well-illustrated, one useful photo is missing: We would have liked to see a photo of the Customs Service balloon that was offered by skeptics as an explanation for the sightings.
