Always supportive

From the Book Cover

On September 17,1975, after being electrocuted by a bolt of lightning, Dannion Brinkley died. When he revived twenty-eight minutes later in a morgue, he had the story of a lifetime to tell- a profoundly moving account of what happened to him during his near-death experience.

It is a tale of a dark tunnel, a crystal city, and a "cathedral of knowledge" where thirteen angels shared with him 117 revelations about the future -- 95 of which have already come true. Even he now possessed the ability to read minds, no one believed his story of the spiritual transformation that changed his life -- except others who had died and come back. A second near-death experience reunited him with with his angelic instructors. This time, they revealed that he was to use his new psychic gifts to help the dying.Since then, he has dedicated his life to working with the sick and elderly, and sharing his fantastic story with people everywhere.

Dramatic and inspiring, [Saved By the Light](#) is an exciting look at the fascinating mysteries of life and death.

"The most detailed -- and extraordinary -- account of a near-death experience that I have ever read.... Dannion Brinkley offers a compelling vision of what it's like to die, and more important, how to live."
-- Dr. Melvin Morse, author of [Transformed by the Light](#) and [closer to the Light](#).

"The most amazing and complete near-daeth experience of the twenty thousand I have encountered."
-- Dr. Raymond Moody, author of [Life After Life](#) and [Reunions](#).
