Information from the Publisher

Always supportive

From the Book Cover

With the same curiosity, awe, and undeniable credibility, the author of the million-copy bestsellers *Communion* and *Transformation* again crosses barriers into the unknown and recounts his experiences with extraterrestrials, providing very compelling proof of their presence here on Earth.

"They weren't just showing me new ideas, they were demonstrating a whole new way of being conscious and being alive."

-- Whitley Strieber

In his worldwide bestseller *Communion*, Whitley Strieber told of his remarkable encounters with alien beings, and convinced millions of us that we are not alone. But that was just the beginning of his incredible true-life odyssey.

Since then Strieber has been led by these visitors on an astounding journey of revelation, and with their inspiration, has discovered a passageway to profound personal insight. He has seen them enter the lives of others and witnessed the extraordinary effects of their presences. And he has received their vast wisdom about the wonder of life and the rich, almost totally unexplored experience we call death.

Powerfully moving and stunning in its implications, *Breakthrough* gives us a truly illuminating look at these mysterious, yet prescient, agents of change and reveals their inspiring message of hope for our chaotic and troubled world.
