Code	Description	Price
See Also:	History of Space Exploration - 16 titles	
See Also:	Technology For aircraft profiles and present-day aviation topics.	
anyonecanf_	Anyone Can Fly (used hardcover) By Jules Bergman. 1964, Doubleday, 255pp. "This is a book about learning to fly... Linking pictures and words with aerial maneuvers depicted from inside and outside of the cockpit... This profusely illustrated volume takes the reader step by step through a do-it-yourself pilot instruction course from the first orientation session to the final flight test". (VG+, no DJ)	\$3.75 2 lbs Add to cart
berylmark	Straight on Till Morning; the Biography of Beryl Markham (used hardcover) By Mary S. Lovell. 1987, St Martin's Press, 408pp. 1st. "Beryl Markham was a remarkable woman, brought up in East Africa, she became Africa's first female thoroughbred trainer and later its first female bush pilot, the first to fly the Atlantic solo from England to North America, a story full of romance and courage." (Library discard with usual markings. VG in VG DJ in mylar wraps. FEP removed)	\$6.00 2.5 lbs Add to cart
berylmarkha	Straight on Till Morning; the Biography of Beryl Markham (used trade paperback)	\$3.25

	By Mary S. Lovell. 1987, St Martin's Press, 444pp. 1st. "Beryl Markham was a remarkable woman, brought up in East Africa, she became Africa's first female thoroughbred trainer and later its first female bush pilot, the first to fly the Atlantic solo from England to North America, a story full of romance and courage." Secret Aircraft

skunkkwkhc_	Skunk Works: A Personal Memoir of My Years At Lockheed (used hardcover) By Ben Rich. 1994, Little Brown & Company, 370pp. This is a detailed story of the Lockheed Skunk Works from the perspective of the man who headed it during the F-117 development. A tell-almost-all book with many nameless references to Groom Lake. The late Skunk Works president Ben Rich recounts the development of stealth, his work with Kelly Johnson, and the workings of the black world. Given the sensitivity of his position during the Cold War, it is surprising that this book was written at all. Rich does not hide his disdain for the often capricious Air Force bureaucracy and expresses his frustrations with excessive secrecy and the inefficiencies of the military procurement process. An essential document for historical research into Area 51 and the aviation projects that built it. -- GC. (Library discard with usual markings. Fair, no DJ. FEP removed)	\$5.00 2 lbs Add to cart
rich 	Skunk Works: A Personal Memoir of My Years at Lockheed (new trade paperback) By Ben Rich and Leo Janos. 1994, Back Bay Books/Little Brown, 372pp, 8x5.5". Photo insert. Auto-biography of chairman of Lockheed Skunk Works, birthplace of secret aircraft. This is a detailed story of the Lockheed Skunk Works from the perspective of the man who headed it during the F-117 development. A tell-almost-all book with many nameless references to Groom Lake. The late Skunk Works president Ben Rich recounts the development of stealth, his work with Kelly Johnson, and the workings of the black world. Given the sensitivity of his position during the Cold War, it is surprising that this book was written at all. Rich does not hide his disdain for the often capricious Air Force bureaucracy and expresses his frustrations with excessive secrecy and the inefficiencies of the military procurement process.
