Our Review

Opinion of the webmaster, subject to debate

Credibility	Research Value	Cultural Interest	Visual Information	Style	Silliness	Wow Factor	Bargain
1	1	4	3	1	5	2	2
Very Low	Very Low	High	Moderate	Sloppy	Very High	Routine	Low

[Explanation of Ratings](#)

Credibility = Very Low: In general, this category is a rating of the author's intellectual discipline and the strength of his argument (which are very low), not the veracity of his claims (which could be true in spite of the weak argument).

Visual Information = Moderate: Includes some nice drawing of alien in collusion with gov't.

Silliness = Very High: High silliness isn't necessarily a bad thing. Such items often make amusing gifts or may be interesting as cultural artifacts.

Bargain = Low: In general, items with a low bargain rating are not considered worth the retail price as judged by the useful research data they contain. However, they may have cultural or entertainment value, which is not included in the bargain rating.

Glorious rubbish! Reads like the Weekly World News, hitting all the hot-button conspiracy topics for Area 51. Lots of laughs if you are in the mood.

Comparison to Other Books

For a credible review of Area 51 lore, see Darlington's [Dreamland Chronicles](#).

This catalog provides the sole financial support for the [Ufomind website](#) and our many free on-line services.... Your purchases keep us going!

Information from the Publisher

Always supportive

From the Book Cover

WHAT IS THE TRUTH ABOUT UFOS AND THE COMING OF THE NEW WORLD ORDER?

In his latest release the former military intelligence operative known as COMMANDER X offers startling evidence of a top-secret war being waged by the Secret Government and its allies -- both human and alien -- against the people of Earth.

E X P O S E D !

- Go inside Area 51's notorious underground bunkers where an alien technology has been developed based upon UFO crashes and "trade deals" with a group of ET's known as the Grays.
- Discover the potential danger of Tesla's Death Ray which can be aimed at any one of us without any warning or protection.
- Find out about the existence of HARP [sic], an electronic broadcasting system that is capable of wide spread mind control (even of entire towns).
- The chapter on Beam Weapons and the New World Order, offers a rundown on the full and incredible array of electromagnetic transmitters currently in use (and more going into operation every year!).
- This work also includes an "insiders" glimpse into the true capabilities of the New World ORder and recent updates on the Philadelphia Experiment, Phoenix and Montauk Projects as well as recent developments in time travel, interdimensional manipulation and other conspiracies that will make you incredibly numb.
