Our Review

Opinion of the webmaster, subject to debate

"Three states rolled into one, Utah has the pristine alpine country of the Rockies, the awesome canyons of the Colorado Plateau, and the remote mountain ranges of the Great Basin. You can explore vast wildernesses, take in cosmopolitan Salt Lake City, or ski Utah's "Greatest Snow On Earth." Wonder at the spectacular rock formations in the national parks of Zion, Bryce Canyon, Capitol Reef, Canyonlands, and Arches. All this and more await you in Utah. Like his best-selling Arizona Traveler's Handbook, Bill Weir's Utah Handbook has carefully researched facts and valuable recommendations; even Utah natives will wonder how they ever got along without this well-organized guide!" -- From the Publisher. -- *Glenn Campbell*
