From the Book Cover

Bob Larson's recent book, IN THE NAME OF SATAN, will show you how the forces of evil work and what you can do to defeat them.

Bob Larson has spent more than twenty-five years ministering to victims of demonic bondage. Now, Larson dispels the contemporary myths surrounding Satan and his demons, equipping you with crucial biblical information on how you and your family can withstand the forces of evil.

IN THE NAME OF SATAN shows you Satan's line of attack and provides startling answers to questions such as:

- Who is Satan?
- How does Satan gain access to us---and how does he plot to stay?
- What can't Satan do?
- How does Satan afflict Christians?

You'll find case-by-case, real-life examples of demonic possession and witness spiritual warfare and deliverance tactics everyday Christians can use to combat and dispel Satan's influence over a person's mind and body. Plus, you'll open up a new area of faith as you discover a God who is victorious over Satan's evil influences.

Here's what you can do to prevent Satan from taking control of you life - and how you can reclaim the lives of others in which he may have already gained a foothold.

ABOUT THE AUTHOR

The following is being said about Bob Larson's newest book, **IN THE NAME OF SATAN**:

"In this book, Bob Larson tells it like it is, just like the prophets of old. The devil and his demons are a reality and so are their intrusions in human lives. To believe otherwise is to be naive or ignorant of biblical truth. This book is a must for anyone in Christian ministry."

Jerry Mungadze, Ph.D., President
Mungadze Associates, P.C.
Center for Treatment of Dissociate Disorders

"In the future it will be important to have pastors, deliverance workers and therapists on the same team, speaking the same language. I believe this book is a step in that direction. "He came to set the captives free," and we are to continue His work, so thanks for the training manual."

Dr. Jim Friesen, Psychologist
Author of "More Than Survivors: Conversations with Multiple Personality Clients"

"Bob Larson's knowledge of the Bible and his many experiences in counseling have equipped him to present a realistic procedure in dealing with demonized persons. His accounts of Christ's deliverance of the oppressed are vivid and encouraging. His grasp of our authority in Christ and his compassion for those hurting, enable him to share many helpful insights for those who would help to set the captives free."

C. Fred Dickason, Professor
Moody Bible Institute
