Publisher's Synopsis

Ellen Crystall began photographing UFOs during a series of close encounters in California in 1971, which repeated and continued in 1980, in Pine Bush, New York, and is still occurring to this day. She has taken more than 1,500 photographs of IIFOs, and has reached startling conclusions in her book [SILENT INVASION, The Shocking Discoveries of a UFO Researcher](#).

Ellen has seen aliens twice and has been touching distance to the ships numerous times.

Dr. Crystall continues to take new photographs using new methods and has also taken a 12 minute video of craft from a major August 1992, sighting, in which 1,000 people may have seen 2 or 3 ships flying across New York state, part of which was aired on several TV shows.

Dr. Ellen Crystall has her Ph.D. in music composition from New York University. She is in SAG and AFTRA and works as an actress in movies and television. She is working on more UFO books and has a line of handcast sterling silver jewelry based on the cover of her book.

From 1988 to 1995, Dr. Crystall published CONTACTEE, a quarterly newsletter detailing current research and activity. Back issues are currently available. Dr. Crystall has been on more than 300 radio stations worldwide, has been in publications such as The New York Times, and Omni Magazine, and has appeared on Encounters, Sightings, Larry King Live, Joan Rivers, Geraldo, Sonja Live, and People Are Talking
