Detailed topographic maps of Groom Lake, Papoose Lake, Tikaboo Valley and vicinity. This page lists 36 maps in the 7.5 minute series (the most detailed available). See [key map](#) (110k).

Our most popular maps are [Groom Mine](#), [Papoose Range](#), [Papoose Lake](#) (shown above and in [this larger image](#)) and [Badger Spring](#) (for Tikaboo Peak, overlooking Area 51). Although the first two maps are the site of a large secret Air Force base, no military facilities are shown, only the topography and a few dirt roads.

WARNING: Although most of these maps were updated in the 1980s, they do not reflect recent expansions of the military boundaries. Do not rely on these maps to tell you where the current boundaries are.
