Our Review

Opinion of the webmaster, subject to debate

The most detailed topographic map available for the area around Tikaboo peak, the last remaining viewpoint into Area 51. A useful supplement to the [Area 51 Viewer's Guide](#) if you plan to hike this mountain. This map is know officially at the Badger Spring (NV) USGS 7-1/2 minute topographic quadrangle. The scale is 1:24000 (1 mile is about 2.5"). The features shown include Tikaboo Peak, Badger Mountain, Badger Spring, Badger Valley and portions of the Pahrnagat and East Pahrnagat Ranges. Shipped rolled in a tube. -- *Glenn Campbell*

Reservations

These recent features are not shown: (1) the extension of the Badger Valley road about 1/4 mile beyond Badger Spring; (2) the hiking trail up Tikaboo Peak; and (3) the extension of the East Paranagat Range road to meet the Badger Valley road.

Comparison to Other Books

You will still need [Area 51 Viewer's Guide](#) for Tikaboo Peak hiking instructions.
