From the Book Cover

Vampires have continued to fascinate and compel us throughout the ages. Now, as the millennium creeps to a close, the legions of the undead continue their search for corporal sustenance. For fans of Visible Ink's bestselling *Vampire Book* and all those folks who can't seem to get enough about these creatures of the night, *The Vampire Gallery* is just what Herr Doktor ordered.

By far the most current and comprehensive source of its kind, *The Vampire Gallery* was created in direct response to daily customer requests for a sequel to Visible Ink's bestselling *Vampire Book: The Encyclopedia of the Undead*. Vampire expert J. Gordon Melton returns, bringing fans a close-up view of fictional vampires from 19th- and 20th-century literature, film, music, theater, poetry and comic books.

More than 300 fictional vampires are featured, including:

Barnabas Collins -- of the TV series "Dark Shadows"

Dracula -- from Bram Stoker's 1897 novel

Nick Knight -- lead character of the TV show "Forever Knight"

Lestat -- from Anne Rice's novel *Interview with the Vampire*

Nosferatu -- from the earliest film based on Dracula (1922)

Lord Ruthven -- lead character in "Vampyre," the first vampire short story (1819)

Vampira -- 1950s TV horror show hostess and movie actress

More than 300 intriguing essays explore the characters in depth, discussing how they fit or changed the vampire myth of their time. *The Vampire Gallery* also offers insight into the compelling men and women who created these vampire characters. Nearly 150 photographs, many of them from Dr. Melton's private collection, bring the undead to life.

J. Gordon Melton has collected vampire lore and memorabilia since the 1950s. Profiled in *People* magazine, Dr. Melton is a nationally known author, lecturer and scholar, best known for his work on religion and cults. His nearly 30 books include Visible Ink's *The Vampire Book: Encyclopedia of the Undead*, which has sold 100,000 copies and enjoyed 11 printings; *VideoHound's Vampires on Video* and *New Age Almanac*.
