Our Review

Opinion of the webmaster, subject to debate

Full size reproduction of the famous front page announcing, "RAAF Captures Flying Saucer On Ranch in Roswell Region," along with more routine news of the day. ("Dairymen of Area Hear Lecture Series.") A sidebar describes local reaction: "Roswellians Have Differing Opinions On Flying Saucers." The print quality is roughly equivalent of what you would have seen on your doorstep that Tuesday morning in 1947. Probably one of the most memorable front pages of all time. **As a bonus, we also include the following day's front page: "General Ramey Empties Roswell Saucer."** This page includes several articles responding to the previous day's story. ...Fascinating pieces of American history. -- *Glenn Campbell*
