- [*Uninvited Guests Reviewed](#) - By Ted Markey - Source: UFO BBS <2/8/98 #8>
"Uninvited Guests" is probably one of the best books on the subject that I have read so far this year. It is a book that should appeal to both the seasoned ufologist as well as serve as good background material for the novice. Richard has a talent for communicating complex situations and technical concepts to the non-technical person. His prose is factual, yet compelling.
