**Our Review**

Opinion of the webmaster, subject to debate

Collection of strange and ghostly stories from the waterways near Tampa, which the author claims is high in paranormal activity. A good regional ghost collection, told with panache by a local resident who has

been collecting these stories for years.

If you've ever thought about UFOs or paranormal activity, you are not alone. According to a [Newsweek](#) poll, 48 percent of Americans believe UFOs are real and 29 percent think we've made contact with aliens. Another 48 percent think there's a government cover-up.

Why do government agencies deny the existence of the Tampa Triangle Dead Zone? Is it a convenient use of **plausible deniability**?
