- [Antigravity News And Space Drive Technology](#) - Data <3/26 #2>

"AntiGravity News and Space Drive Technology reports and networks on research and data in the antigravity fields, and researchs

and promotes the experiments that will eventually lead to development of practical antigravity propulsion systems that can be used to alliviate the problems of current transportation systems. AGN publishes a lengthy bi-monthly technical review and newsletter concerning antigravity history, research, data, and results, since July 1997."
