Skunk Works Mailing List

Skunk-Works Charter

From: georgek@netwrx1.com
Date: Thu, 17 Jun 1999 19:15:14 +0000
Subject: Skunk-Works Charter

Before I place this into the "official" skunk-works charter...anyone have any comments or changes they'd like to make...I'm targeting making the change sometime early next week, so if you can get any comments or suggestions on changes in by say 1200Z on Monday 21 June 1999 I'd appreciate that.

George

P.S. Thanks Greg W.

>The skunk-works mailing list was created for discussions of advanced technology aircraft and historical discussions about products of the Lockheed Advanced Development Company (LADC), also known as the Skunk Works, as our list name suggests. However, we also welcome discussions about leading-edge technologies from any other aircraft

>
>Primary areas of discussion include:
>
> Stealth aircraft, manned and unmanned
> New aircraft technology - stealth or non-stealth
> Historical discussions about how current technologies came about
> Leading-edge technology associated with aircraft, ie: cruise missiles and
>laser guided bombs
> Other uses of stealth technology not related to aircraft
> Stealth can be defined as the implementation of ANY technology that allows
>a vehicle or person to go
> somewhere undetected (or minimally detected) - this includes detection by
>any radar, sonar and optical devices
