 Subject: Re: Skunk-Works Charter

Seems we are making mountains out of molehills on this issue. This concern is getting way out of hand. It is not based on anything we have ever posted here. It has NEVER been a problem in the past. We seem to be conjuring up demons that give no evidence of existence. The stuff isn't discussed here, none of us probable even have any of it, and we aren't lawyers or judges trained in espionage laws.

We have a much greater problem with staying on topic then anything else. Let's get back to talking about something we might know about--AIRPLANES!!!
