Regarding "Military/Intelligence Facilities on this Server" - Latest First

[Resistance is futile?](#)

There is too much pananoia regarding the exact location and nature of these type of facilitys to tell all,don't you think?

[Underground facility at Hanford Washington](#)

I asked the guys where they went. At first they declined to talk, but eventually let me know that thier job was in a underground complex at Hanford Nuclear site where they took a long ride in a underground tunnel to a vast complex under Rattle Snake Ridge where they were janitors. That's all I got out of them

Covert Ops/ conspiracy plots

Look guys (and girls), I have to tell you, talking from a position of vast experience of Ops in Ulster, Bosnia and Gulf war, that these notions and facinations with 'conspirises at the highest level' are nothing more than fantasy. Trust me! any comments on this, lets hear it.

-- Tracer 9/23/99 (#25)

Spaceman in Ulster.

John don't be such a spaceman. Sorry about your mate being killed but, I've been there on many occasions and have took part in numerous covert ops. What you have discribed is more likely to be explained by your lack of knowledge and niavity
