Subject: New Video of Space City in Brazil

**** ANNOUNCEMENT OF NEW VIDEO ****

In my research of the Pleiadian UFO case, I have acquired some photos of Pleiadian and German UFO's parked in a Secret Space City in Brazil. The photos were taken by a man in Miami named Adrian. While some of his photos are mistakes or unexplainable, I believe his first contacts were with German intelligence who brought him to their secret facility in Brazil where he took these photos.

I have put the story and the photos into a short video for the UFO community to look at. The tape will not be marketed in catalogs or stores. I intend to only make a few of them. The tape contains:

- * Photos of the German UFO's over Miami
- * Photos of Adrain with German UFO's in formation over his home
- * A photo of UFO's "cloaking" themselves
- * Testimony from an airline stewardess who has seen the secret facility.
- * A map of Brazil showing the suspected area
- * Photos of German UFO's over Europe during test flights
- * Pleiadian Beamships parked at the Secret Space City
- * The story of how the Germans developed this technology
- * How the Pleiadians may be involved
- * What role the Germans and Pleiadians may play in our future

The tape is called Space Cities, UFO's Around The World. If you would like a copy please send \$20.00 plus \$2 for s&h to. Randolph Winters, P.O.
