This psychic's autobiography ought to raise some flags....

Robert Petro holds his BA in Philosophy and Masters Degree in Psychology.

A self-made man, Robert J. Petro owns many small businesses and is an acclaimed motivational speaker famous for his prosperity seminars. He grew up in New York as an orphan, dropped out of grade school, and didn't learn to read until he was in his thirties; yet he has become wealthy, happy, and successful in all areas of his life.

A popular guest on the media, Robert Petro has appeared on numerous radio and TV shows from coast to coast, including, The David Letterman Show, PM Magazine, Good Morning New York and many others.

Robert Petro lives with his wife in Sedona, AZ.

A most unusual fellow! He couldn't read until he was in his 30s, yet he went on to a Masters Degree in Psychology. I wonder what university the degree was from.

Reading his website at <http://www.RobertPetro.com/>, one is overwhelmed by the number of accolades he has received from the media. I feel out of the loop that I have never heard of him before.

On his main page it says, "Robert Petro was awarded the peace medal by the United Nations Parapsychology Society."

Funny that I have never heard of that society. I didn't know the U.N. was into that sort of thing. A metacrawler search for "United Nations Parapsychology Society" turns up nothing.

-----  
Petro is offering a psychic training seminar in March 1998 in Sedona, including "How to market yourself."

This is how I heard of him. Someone named "Bob Fowler" at bobf@kachina.net posted a link about the seminar to our psychic training services page.

Since Petro seemed like an important psychic (judging from his own page), I thought I should add a link page for him to Ufomind. However, "Petro" smelled like a pseudonym to me, and I prefer to create records under a person's "real" name.

So I did a little on-line research....

-----  
The 2-day seminar, "Developing the Intuitive Self", is \$950.00 per person. (Must be good!) See registration at...

<http://www.RobertPetro.com/semorder.htm>

The seminar covers: "Astral Projection, Astrology, Numerology, Healing, Tarot, Auras and Color, Pendulum and Divining Rods, Dreams, Channeling, Meditation and Self Hypnosis, Rings and Fingers, Palmistry, Marketing."

(If he pulls this off at \$950 a head, he definitely does know about marketing.0

Petro gives another seminar on Shamanism at similar cost.

-----  
For a man as supposedly renowned as Mr. Petro, there is surprisingly little on the net about him. A metacrawler search for "Robert Petro" turned up no relevant documents apart from Petro's own site. Here is his domain name registration...

<http://rs.internic.net/cgi-bin/whois?RobertPetro.com>

The only DejaNews newsgroup posting I found was a brief third-party reference to Petro as a psychic who had been tested by the government.

-----  
However, there are a lot of Deja News references for Bob Fowler, who appears to be Petro's #1 supporter.

DejaNews author profile...

<http://x9.dejanews.com/profile.xp?author=Bob%20Fowler%20%3cbobf@kachina.net%3e&ST=PS>

There seems to be a lot of synchronicity between Fowler and Petro. They have the same ISP and writing style. They live in the same area (Sedona) and both offer on-line psychic readings.

-----  
Fowler also promotes a website concerning Shamanism and tarot reading at <http://www.awake.net>. This site has certain stylistic resemblances to Petro's site. This domain is registered to one "Lakshmi Narayan", also in Sedona.

<http://rs.internic.net/cgi-bin/whois?awake.net>

This name produces no useful links in Metacrawler and DejaNews searches.

On the awake.net site is a page on the "San Petro cactus," which is supposed to have medicinal powers.

See: <http://www.awake.net/Sanpedro.html>

This page also mentions "Four Winds", the name of Petro's company on the internic listing above.

-----  
Fowler also promotes the work of one "Maji Kelf", an on-line psychic at <http://www.awake.net/tarot.htm>

The Maji offer Tarot readings by email and also promotes the

website of Robert Petro.

-----  
I am only beginning to scratch the surface of the Petro-Fowler-Narayan-Kelf synchronicity, but for now I will list them all under "Robert Fowler", with all the other names as assumed aliases. The page has been created at...

<http://www.ufomind.com/people/f/fowlerr/>

I welcome additional research on this matter -- especially into Petro's claimed educational credentials -- and will make corrections to the page as necessary.
