Subject: REPORTER KILLED AT AREA 51?  
Date: Sun, 28 Dec 1997 17:55:10 -0800

FROM THE "CONSPIRACY NATION" AND "WEEKLY WORLD NEWS":

A reporter on the staff of Weekly World News is missing, after he and a colleague had penetrated the top-secret Area 51 base in Nevada. Missing is George Sanford who, with co-worker Vince Sardi, wore special "night suits" to evade motion detectors and heat sensors when they snuck into the restricted area late at night. Sardi claims they made it to a giant building as big as two miles long. When Sanford went closer, Sardi says shots were fired and he panicked. Sardi escaped the situation, but Sanford did not. Sanford is still missing. (Weekly World News, 1/6/98)
