Rael in Daytona 24 hour Race....("UFOs" / the "Raelians"...France)

DAYTONA BEACH, Fla., Jan. 24 /PRNewswire/ -- Rael, the fastest religious leader in the world, will be racing in the Daytona 24-hour race which will take place February 1 and 2 at the wheel of an Argo BMW V-12 with 650 horse power, racing in ESC category and able to reach more than 200 mph. His co-drivers on the car number 19 will be the Indy Car Driver Butch Brickell and Edd Davin.

The Raelians believe extraterrestrials created life on Earth scientifically in laboratory using DNA. They say these extraterrestrials are the ELOHIM of the Bible, a name which was wrongly translated by "God" and means in Hebrew "Those who came from the sky."

The Raelian Church has 35,000 members in 84 countries.

Rael's book, "The Message Given To Me By Extraterrestrials," is a world best seller, translated in 22 languages and sold at more than 1 million copies which relates the experience Rael had in 1973 when he was a journalist in France and says he was contacted by extraterrestrials, the ELOHIM, who brought him inside a UFO and asked him to spread the message explaining the Raelians' origins and to build an Embassy close to Jerusalem where they will come back officially, like their scriptures say.

The car will be sponsored by UFOLAND, the first center for UFO phenomena in the world where the public will be able to visit the interior of the full size replica (21 feet) of a UFO, based on Rael's book, and which will open its doors next May in Valcourt (Quebec), 75 minutes North East of Montreal.
