Subject: Best Documented, Broad-daylight UFO video--in the World!!!

Dear WebMaster: 8-:)

Despite over 12 front-page newspaper interviews--interviews with CBS, ABC, Fox-Network News, Sightings, and many other such media: I have always dropped Phil Klass' name as, "The Granddaddy of all UFO-Debunkers," relating that I would invite these media to contact Mr. Klass--to have him view this videotape as the many, many others have (Professor Jack Kasher, Jim Dellitosa and all of the video experts at the listed TV media), to no avail. I wrote Mr. Klass several letters over the past two years, offering to send to him a 1st generation VHS copy of this amazing daytime UFO videotape for his right to attempt to disprove it, but I have not heard a word from him. Could you contact him, or visit: [IUFOMRC.COM](http://IUFOMRC.COM) scale-down "contents" to my name, and click-on. This is not an idle boast, WebMaster: this is the real-McCoy. The video was shot June 11, 1995--but 10 days earlier: I videotaped many objects in the skies over north Texas--including the gigantic "Mothership," which was seen by thousands of people looming stationary in the NNW for over seven hours!

If Mr. Klass could be swayed: My life would be full. I am not the slightest afraid of his comments.

Respectfully,

J7 8-:)

Jason Leigh, Ph.D.
