Some of you may be aware of the archive of IUFO messages on [www.ufomind.com](http://www.ufomind.com), which has been there for several months.

The format and address of this archive have changed. You can now find all recent IUFO messages at:

<http://www.ufomind.com/ufo/media/mailling/archive/iufo/>

The new archive is simpler than the old one, which had some technical problems. Instead of trying to display the messages by month and day, the new archive simply retains the last 1000 messages, which you can list in groups of 100.

The archive is much easier to browse than receiving all of the messages by email.

With the high bandwidth on this list (something like 5 mg a month), it is impossible to retain a permanent archive, but keeping the last 1000 messages means you can look at the list only once a week and not miss anything.

This is an unofficial archive provided as a public courtesy. I created it because I found some interesting messages here but could not handle the email load. The archive is not affiliated with the owners or operators of the mailing list itself.
