## Pat Welsh's Surfin 10/24/97

GENERAL:

They showed me some copies of symbols the poltergeist had allegedly drawn. One was the astronomical sign for Saturn. Something like an electro-magnetic breeze brushed by my shins. I was ready to leave. "He gets more active at night," Twyla said. "Can't you stay till this evening? No, you look pale already, maybe you'd better go."

Pale indeed. I was ready to leave. Driving away, I reflected that the McWethys were very good people. I could see why a ghost would pick them. It told them, they said, that it learned to talk by watching television with them...

When I asked Mrs. McWethy why she thought it picked them out, she told me: "It said it's because we stay up late at night." I found that comment interesting; it reminded me of something that Eileen Garrett, the famous Irish medium, once said: that for a ghost to manifest, the family in the house has to create a nest for it..." --"The Stone-Throwing Spook of Little Dixie" <<http://testament.org/testament/forteantimes.html>>
