Subject: Re: From the Colonel

Rather than answer all the individual letters, I will post this open to Skywatch. This week I have been undergoing kimo therapy and afterwards haven't felt up to snuff, but have tried to get out as much as I possibly can. Thanks for all your patience.....Col.

It is odd that someone should be going through chemotherapy, which is typically for cancer or other life threatening disease, and not know how to spell it.

I wonder if this means he will not appear at the Skywatch conference he is scheduled to speak at in November. Kimo therapy is very serious.
