Updated Prophets Conference Overview

Updated Conference Schedule may be downloaded at:

As the new millennium draws near, many ancient and modern prophecies are approaching their time of fulfillment and a powerful and often intense increase of energy is being experienced by a great many people. Boundaries appear to be dissolving wherever one looks, and regular "ordinary" people are having some very unordinary experiences. Meaning, value, and purpose seem to be dramatically shifting, and choices are coming down to people either riding the changing tide or being consumed by it. Many people are experiencing direct communication with other forms of intelligence. History is virtually unraveling right before our eyes, as news comes of our truly ancient heritage. The existence of the soul is being objectively proven, integrating the mystic and scientific. Native American and other shamanic traditions are becoming increasingly important to the search, and furthermore, there is a growing feeling that guiding forces are at work through aliens, angels, and ancestors. It is becoming a widespread belief that we are at the threshold of something astounding and possibly wonderful, and this is what The Prophets Conference in Phoenix is all about.

The Prophets Conference in Phoenix is slated to commence on October 10-12 of this year with an incredible collection of presenters. The scope of the Prophets event far surpasses that of any other conference to date. AXIOM, the organizer and producer of the Prophets, has deployed it's over 25 years of event production experience into creating a truly multileveled event rather than just another conference. What's going on here is something wholly new. From traditional Native American hoop dancers to Robert Anton Wilson's patented method of monkeywrenching consensus reality; from John David Oates' astounding reverse speech technique to CSETI's protocol for contacting UFO's; from Joan Ocean's Dolphin consciousness to Dr. Edgar Mitchell's dyadic model of reality connecting mind and matter; from Zecharia Sitchin's latest journey through the records of time to David Icke's global manipulation; from the Friday evening's opening concert performance with the Paul Winter Consort, to the Wisdom of the Elders panel relating the never

before spoken prophecies of ancient Native American traditions, the Phoenix Prophets event is truly all-encompassing in nature. As popular radio talk show host Art Bell appropriately stated on his program, "Phoenix, Phoenix, Phoenix . . . . What is it about Phoenix?. I feel that something BIG is going to happen in Phoenix!" Well Art, a great many people feel exactly the same way! Whether it is the Phoenix Prophets event, or whether it is that "mysterious other" seemingly connected to it somehow, something BIG will be occurring in Phoenix on October 10-12!

For those participating in this truly unique and momentous occasion, the gates open at the Corona Ranch at 4:00pm on Friday, October 10 to a large and colorful exhibition; to the "Talking Stick Stage" filled with a carnival of profound ideas with passionate speakers; to the gala opening celebration and concert with the multiple Grammy winning Paul Winter Consort and Native American ceremony. This special afternoon and evening includes entry into the conference grounds and exhibition area, the "Talking Stick Stage", and the concert. Advance Tickets for Friday are \$20.50 (\$25 at the door) and are available at all Dillard's Outlets in the Phoenix area. Order by phone 1-800-366-3606, or Arizona locally at 602-736-2121. Friday is also included in the 3-Day Conference Pass.

Saturday morning begins at 8:00am with ceremony and music, followed by deeply insightful panels beginning at 9:00am in the 1,200 seat "Great Hall". Panels explore "Contact", "Beyond Contact", "Today's Native Voices", "Shamanic Visions", "Dreaming The Future", "What It Is And What It Isn't", and "Wisdom Of The Elders." Individual presenter workshops are mainly scheduled for the afternoon, and will be held in large, colorful and comfortable tents spread around the 12 acres of beautiful lawn and tree lined walkways. Delicious food for all tastes will be served. Saturday evening brings the UFOs, as Dr. Steven Greer and his crack team from CSETI use their successful protocols to effect Contact.

Meanwhile in other Corona Ranch locations, Richard Dannelley will teach his advanced group-consciousness techniques and ceremony - "Calling In The Ships Of Light", to be followed by a Saturday night dance with mind-music body-music by the highly acclaimed trance/dance band UFAUX, featuring Jim Diletto, Susan Gordon, Jerry Wills, and a cosmic light show.

Sunday, October 12 is another special day, being both Columbus Day and the anniversary of the fall of Babylon in 539 B.C. This is most appropriately the day for Zacharia Sitchen's latest news on the return of the planet Nibiru, as well as for the Gathering of the Native Elders, bringing their tribal prophetic messages, held close through the centuries for this foretold time of coming together. Workshops, panels, music and exhibition continue to 10:00pm Sunday, when the gatherers return home with new knowledge, friendships, motivations and perspectives.

Some of the exceptional presenters not mentioned above are: Drunvalo Melchizedek, Standing Elk, Peter Gorman, Hunbatz Men, Marilyn Tunneshende, Oh Shinnah, Aluna Joy Yaxk'in, Shari Adamiak, Lyssa Royal, Robert Morning Sky, Annie & Byron Kirkwood, Scott Catamas, Bill Hamilton, Dolores Cannon, Ted Loman, Scott Mandelker, Lavone King, Long Standing Bear Chief, Grandfather William Commanda, Jake and Judy Swamp, Larry Hunter, Robert Dean, Michel Peter Langevin, Richard Dannelley, Jim Diletto, Jerry Wills, San Carlos Apache Crown Dancers, Angela Browne Miller, Joy Lynn Freeman, Arvol Looking Horse, Nester Night Owl, Robert Standing Bear, and others with special qualities and higher motivations. Two very special surprise guests will be making a rare appearance on Sunday.

Though rural, the Corona Ranch is a perfect location about 15 minutes from downtown Phoenix and the airport, and within easy reach from anywhere in the Valley of the Sun. Group hotel rates are available, and the camping and RV community is all set for a special area of Estrella Mountain State Park. Mid-October is the high visitor season in Phoenix, having the best weather of the year, so early booking is suggested. Tickets and passes for this exceptional gathering are very accessible, ranging in price from \$15 to \$100. Those interested in being a part of this historic gathering may obtain registration brochures, which include panel descriptions and schedules of panels and workshops, and various prices by calling toll-free 888-777-5981, or 808-573-3518, emailing a request or questions to [axiom@aloha.net](mailto:axiom@aloha.net), or by visiting The Prophets Conference website at <http://www.aloha.net/~axiom/phoenix.html>.
