Subject: Green Light for June 6 PEOPLE'S RALLY at AREA 51
Date: 18 Jan 1998 19:22:51 GMT

The PEOPLE'S RALLY at AREA 51 will take place as scheduled on Saturday, June 6, right at the restricted boundary line on Groom Lake Road, as previously announced. This will be a legal, public assembly and will take place on legal, public land.

The event will be a spontaneous, peaceful gathering of concerned citizens. One of the primary purposes of the gathering will be to bring to the attention of the newsmedia once again the plight of former Groom Lake workers who are still suffering from illnesses caused by long-term exposure to highly toxic materials without their knowledge while working at AREA 51, the base that "doesn't exist". The former workers and their families' plea is not for monetary compensation but to seek for a cure for the disease.

There will be no organization behind this event. It will simply be a spontaneous gathering. Quite a number of people may already be camping overnight on Friday, June 5 at the site. The news media may show up to cover the event, depending on how much publicity will be generated regarding the event. The event will start at 6 a.m. on Saturday, June 6.

Each participant is suggested to bring a mirror (of any kind....the larger the better) for the event.

All vehicles are to be parked off Groom Lake Road. Lincoln County Sheriff Dept. will not allow any vehicle to be parked on the dirt road for the event.

And also, early on Sunday morning, June 7, there will be a hike up to the ridges of Tickaboo Mountains to observe the Groom Lake facility. This particular hike may be a little strenuous since this time it will not originate from the Alamo side, but it will be from the west area, a direct "frontal assault" on the mountains from the Tickaboo Valley side.
