## CAUS page split asunder

In view of the recent change of leadership at CAUS (Citizens Against UFO Secrecy) and the dissention surrounding it, I have split our CAUS page on Ufomind into two pages. This seems appropriate since the two administrations have distinctly different personalities and have attracted a different crowd.

The original address was: <http://www.ufomind.com/people/c/caus/>

That page will remain in place and will refer to the organization after Gersten's return to leadership. Its title is "CAUS - Gersten". Topics, links and relationships will refer only to the current CAUS and the new staff assembled by Gersten since January.

For the "old" CAUS, I have created a new page titled "CAUS - Greenwood" at <http://www.ufomind.com/people/c/causg/>. This organization is listed as "Deceased (1998)." Topics, links and relationships refers to the organization's activities prior to Gersten's return.

The best explanation of what happened is given on the new CAUS's website (<http://www.caus.org/backgrnd.htm>)...

During the past ten years CAUS has survived solely on the heroic efforts of Barry Greenwood, former editor and publisher of 'Just Cause'; Larry Fawcett, former deputy director and co-author with Greenwood of 'The UFO Cover-UP' (formerly 'Clear Intent'); Robert Todd, one of the finest FOIA researchers in the field; and Larry W. Bryant, a man unequalled in his determination and enthusiasm for the truth.

In January 1998, Peter A. Gersten, the attorney representing CAUS in its prior lawsuits, resumed his position as director, a position he held when CAUS was founded by him, W.T. Zechel and Brad Sparks in the late 70s.

In spite of their heroism, the current list of directors on the new CAUS's website does not include Greenwood, Fawcett, Todd or Bryant.

Another interesting item on the same webpage is this profile of Gersten...

Peter A. Gersten, Esq.

Admitted to practice law in the states of NY and AZ; Former New York criminal defense trial attorney specializing in murder cases; Founder and Executive Director of CAUS; Former counsel for 1) Ground Saucer Watch in GSW v. CIA; 2) CAUS in CAUS v. NSA and CAUS v. CIA; and 3) plaintiffs in Betty Cash et al. v. US Government; Present counsel to CAUS in CAUS v. Department of Army. Author of the first Internet serial, The Ultimate Secret; Host of the UFOLAWYER chatroom on Microsoft Network's, UFO Forum. Resides in Sedona, Arizona.

The old leadership felt that that if they did not accept Gersten's legal right to the directorship, the situation would soon become CAUS v. CAUS.
