Personally I take Rich's informants with a giant grain of salt. Several years ago Rich's informants were spilling tales about the so called Yellowbook/Redbook/Christ was an ET/10,000 year history of ET on earth/mass landings to happen in the desert south west on April 24th 1997. Not to mention numerous tales about how the landings were happening in March of 1997 None of it happened. I should point out that Rich disavowed/disowned the tale as disinformation right around or just after April 24th 1997.

Then you have more of Rich's informants claiming during the 1996 election that an ET reality announcement was going to happen before the election. Never Happened.

Some of Rich's informants were claiming that the August 9 1996 announcement of finding so called life on the Mars rock was the big precursor announcement to the ET reality announcement. Never happened.

For an entertainment factor these disclosures from Rich's informants are interesting reading.

Remember that the French do nuclear testing in French Polynesia.
Maybe they are not doing testing at all, but are either, showing off
to the ETs, or at war with them and attempting to eliminate them! :)

Go to Alta Vista and type - french Polynesia nuclear - and see what happens.

MARREE MAN RESPONSE

Date: Mon, 21 Sep 1998 06:41:13 -0400 (EDT)
Subject: Marree Man
From: "Ian Parker" <ianparker@mailcity.com>

Re: <http://www.ufomind.com/place/au/marree/>

Dennis Lapcewich is in error with his dates for nuclear tests at Woomera which actually ceased in 1963. The first series ceased in 1957. (Symonds J.L., 1985 "A History of British Atomic Tests in Australia" Australian Government Publishing Service, Canberra.) Also, his area for the Woomera Prohibited Area strictly defined, does not take account of the contiguous Maralinga, Taranaki and Emu Prohibited Areas where these tests took place and with which the total Prohibited Area (usually lumped together as the Woomera Prohibited Area) becomes much larger.

In view of some of the rumours racing around Adelaide, I would like to know:

(1) Since it was repeatedly reported that no heavy vehicle or tractor tracks were found, how does D.L think it was done?

(2) In any event, how did they get whatever equipment was needed up the steep sides of the plateau when even the Aboriginal leader Raelene Warren was reported as saying there were only two routes barely passable to small 4WD's up to the top? There must have been at least helicopters involved.

(3) Why were no campsites discovered considering the extended period and large number of individuals that must have been involved?

CLINTON, PHONE SEX & CRASH AT ROSWELL

Subject: "UFO Crash at Roswell" on Clinton's White House Book Shelf
From: UASR@MyList.net, Stig_Agermose@online.pol.dk (Stig Agermose)
(Forwarded from the IUFO mailing list via UASR.)

September 21, 1998

WASHINGTON (AP) -- President Clinton never turned over to prosecutors a novel about phone sex that Monica Lewinsky says she gave him as a gift. But White House records indicate it once sat on the shelf of the president's private study.

Among the mountain of evidence released Monday by Congress was a White House inventory taken at one point of all the books Clinton kept in his private study.

"Vox," Nicholson Baker's steamy novel about phone sex, was listed on a shelf right between volumes entitled "Churchill on Courage: Timeless Wisdom for Persevering" and an Air Force report, "UFO Crash at Roswell."

First old manual, second the sensors have be upgraded to saps sensors and have been implemented for the whole area and integrated into and with the an/pvs 14 low light/normal light video system for coordination. If you are familiar with the saps system the you will understand the coordination. This was done to reduce manpower requirements and is a much better sensor\platform to work with. E-mail for more if interested.

In attempt to acess sites related to "secret underground bases" The computer would freeze up. Example " www.geocities.com" This sites has usefull information on this subject that seems to be intentionally interrupted. Information from other sites on this subjeuct have also been deleted or denied. This is an example of the control "They" are exersizing in ereas" They" do not want you to know about. Be aware that information you are entitled to is beeing screened and intentionally manipulated by " Their" fear of your knowledge. Your freedom of this information is an illusion.

I my self know alot that go's on there and that have a alien named J-Rod helping them. The principales about how they fly is based on Magnetic Purposion, with a leaniance to Quantum Theary. I my self am in tuned with my body spirtually, mintaly, and seeing what will come from the future. My scences are more tuned. I hear in my mind things, I have out of body expereances, the knowledge I have just comes to me by some other means. A dear friend in a high place told me I should keep my mouth shut, I can't, it has to come out and be told....

IS CLINTON THE ANTI-CHRIST?

I've read all Mrs. Montgomery books and I'd like to know if her description of the Anti-Christ in one of her books could refer to our current president. Has she asked her guides this question? As I remember. it sounded like his background was more like our Vice-Pres. I'm looking forward to her new book coming out. Would welcome any

comments on the above question from anyone.

RENO COLLAPSE

From: George Ramer <gramer@toad.net>

[Apparently commenting on today's news story that Atty. General Janet Reno fainted in church.]

Do you know of anyone credible that documents the paranormal act of prophecy on the internet? I feel I have access to what I refer to as "The twisted time band of infinty" and can access that time band from time to time when I'm at rest .It usually happens Sunday night. Thought of the day why did Janet Reno go to church services so early Sunday September 27,1998? Did she seek some spearitual thoughts as to some action she is about to take or did on behave of the USA. Why did she have a fainting spell at a peaceful place like a church, was it higher power trying to make contact with her in some mortal way? She was not under any stress physical like jogging or speaking meeting or traveling around the world. It wasnt any coincidence that this occured.Knuck-may 12, 1951 D.O.B.

SECRET BASE IN OKLAHOMA... GUARDED BY PARENTS

From: ronin [anonymous]
Subject: "closed" base in Okla?
Commenting on: <http://www.ufomind.com/military/base/location/>

Outside of Cordell, Okla is a "closed" base with a very long runway. I'm told it has appeared vacant for years, but is carefully guarded. One story told to me by someone who lived in Cordell had a couple of high school teens climb over the fence to "run around" and within minutes a jeep with a .50 cal machine gun was all over them. They were supposedly held for hours and eventually turned over to their parents. Urban legend? Maybe. There is a base there.
