METRO BLUE?

Merilee Lear, who has helped cast numerous motion pictures in Southern Nevada over the years is developing a Las Vegas-based national television pilot called "Vegas PD." The Fox Network is said to be interested in the program, based on actual Las Vegas police stories. Kenneth Richardson is directing the series, and the largely ad-libbed show will star local acting talent in the key police roles.

[Merilee Lear is wife of Lazar supporter John Lear. --GC]

12 Good Men All Tried and True

[excerpt from Revelations, 1991 by Jacques Vallee]

"I had given my private address to Lazar's associates. Within days I started receiving strange letters from a colonel in Las Vegas who invited me to spend one month -- all expenses paid -- with a group of ::: 12 People ::: who were preparing a major belief change in America. My background, he wrote, would be a 'definite advantage.' The incentive for joining the group was to establish contact with aliens. When I ignored the first letter -- it included the logo of the group, a neo-nazi design with an eagle clutching the SS symbol and a bunch of thunderbolts -- the colonel sent me a second letter, even more specific. 'If you are sincere about contact with them, we can discuss it but only if there is no government involvement.'

"To show it meant business, my correspondent included detailed information: longitude and latitude of a certain UFO sighting dated May 1943. I had the feeling that the problem was entering a new and dangerous phase..."

["Lazar associates" would probably be Huff or Lear. --GC

GERALD BULL DEFAMED

[Regarding our page on the late Gerald Bull, an engineer who built huge "superguns" and was killed by Isreali intelligence for trying to build one for Iraq. Bull's program was HARP -- High Altitude Research Program -- no relationship to the conspiracy-infested HAARP program in Alaska. We have not made any changes to the page since this message was received. --GC]

READ ME!

I Appoligize for the following comments but, you have no idea what the hell you are putting on your web page, do you? Let me elaborate, you have somebody who put a comment on the page (<http://www.ufomind.com/people/b/bull/>) under the section (Gerald Bulls"HARP"Program) the Message states a mistake about Gerald Bull being affiliated or associated with HAARP. Bull had nothing to do with HAARP! he worked for HARP, as a matter of fact he started it, In the Bahamas. the program has nothing to do with UFO's what-so-ever. The project was ment to shoot satalites and eventually people perhaps into space. it also has nothing to do with H.G. Wells as said in the last statment regarding the discovery channel. the author of inspiration was Jules Verne.

I DEMAND THAT ALL OF THE INFORMATION ON THE FIRST STATMENT ABOUT GERALD BULL (Gerald Bull's "HARP" project) BE REMOVED IMEDIATLY. THE INFORMATION IS 100% INCORECT AND DISCRACEFUL TO HIS FAMILY OF TWO SONS. if THE INFORMATION IS NOT REMOVED YOU WILL RECIEVE MANY MORE COMPLAINTS FROM SEVERAL OTHERS WHO WISH TO CLEAR GERALD BULLS GOOD NAME FROM FALSE ACCUSATIONS SUCH AS THEESE. GET THE ARTICLE REMOVED WITHIN 10 DAYS! I WILL CHECK DAILY

- Gerald Bull Historian Dan Wright Clearing the name of Gerald Bull from false accusations of working with the HAARP program. all my information can be backed up. as a matter of fact look at the nametag on Gerald Bulls picture at the top of the page. the nametag says "HARP" if anymore information on Bull is incorect you can be sure you will hear from me again. pgigreenman@rocketmail.com

CARL SAGAN DEFAMED

From: [withheld by request]

You are doing the memory of Carl Sagan an injustice by putting information on a web site containing subjects which he has spoken out against, namely conspiracy theories and UFO/"alien" misinformation. Most of all I dislike the way you swallow this tripe about aliens, conspiracies, and mind control when none of it could possibly be true. I see this as my hero Mr. Sagan saw it, as a substitute for the more interesting reality. This is no better than an organized religion, which you say you are against. Try presenting your information in a less bias manner, by presenting ALL the facts, not just those which support your argument, and please, change the color scheme.

New URL: <http://www.apostolic.net>

To me there is no doubt that Jimmy Swaggart has confessed his sins to God and has asked to be forgiven. The Bible says in I John 1:9 that God will forgive those who confess their sins to Him and that the blood of Jesus Christ can cleanse from all sin. I believe Swaggart is sincere and loves God. I only wish that he would obey Acts 2:38 and get baptized in the name of Jesus Christ. Read Acts 2:38, it tells you how you can go to heaven and escape hell.

I am a Scientologist. I have traveled many roads and am proud of what I have learned. Scientologist or not, L. Ron Hubbard has become my dear friend. He worked to help mankind and increase the ability of every man, woman and child. His heart was big, I ask that you learn more of this man as appreciation of his contribution to you.

HOW TO HOLD BOZONS AT BAY

You may recall how many ufo's have sets of 3 lights, a single standing oval within, or a ring of lights. Also why the lights must be exposed, and why they are always oriented parallel with the earth? Answer: They shed particles as thrust. The particles are locked sets of 7Bosons, or in another term, ultra +ion charge. Someone may have told Lazar that, otherwise he's a complete fake. These devices are spherical in shape because it's a self improving Boson vacuum, which uses extended lines of force to hold bosons at bay at a specific radius. They will build their own vacuum... as they can also use the pump z wave lost inward to set in sync yet out of phase with proceeding waves in the creation of a higher frequency in focal passage. Kilowatts of conversion to d.c. I have exact plans for this and more.
