Dear Folks,

I am writing to inform you that we have awarded Conspiracies with the Fierce award. Your site is the "Most Informative/Useful Fierce Site" (<http://www.fierce.com/useful/index.html>) this week.

Please read the issue and *experience* Fierce for yourself. This is not just another infiNet Cool site copy.

Fierce.com is a review site aimed at the illumination of important and elite sites on the Web. Fierce is the gateway for many surfers who use the site as a their starting point to set them on their digital travels.

We would appreciate it if you would display the award on one of your glorious pages. You may retrieve it by coding your page with the following:

```
Fierce Dot Com <a href="http://www.fierce.com/">Fierce Dot Com</a> Check out our review.<P>
```

Please let me know if you have any questions or comments and if you place the award. Thank you and congratulations. Most of all, thank you for developing such a useful and informative site.

All the best,

Tor Hyams
